## **What do I get for being a Specialty Section member?**

- Access to the expertise of fellow members through the Specialty Section community on AARConnect and the opportunity for you to share your knowledge with your peers
- Resources such as forms, templates, and guides
- Specialty Section communications such as bulletins, newsletters, and webcasts

## **How much time is this going to take?**

There is not a time commitment - Your participation level depends on you! Our resources are designed to let you access them when the time is right for you. AARConnect allows you to set your email settings to fit your preferences. There's also an app to connect you on the go.

## **Does it really matter if I participate?**

Yes! RTs aren't a one size fits all group. Each member offers fresh ideas and new perspectives. There's strength in numbers too! Membership presents you with the opportunity to improve yourself while helping the profession.
